See what you think of this; hopefully all of my comments are pretty self-explanatory but if not, don't hesitate to call me.

Brian,

Attached is the memo with some edits (some directly, others relayed to me). Please let me know if you have any questions, particularly on the table and I'll do my best to explain Kelly's rationale. Once we are both comfortable with this, we will issue this as a white paper on the Spokane Forum website. The plan is still to issue permits by June 1 so I'm hoping we can have the PSU sentence OK'd by Monday at the latest.

We are very close!

Thanks,

Dave
